NEED TO KNOW
Winter Parking Regulations

Winter parking regulations will go into effect on November 1, 2013, and run through March 31, 2014. No parking on street or in driveways from 7 P.M. to 7 A.M. during the months of November, December, January, February, and March. Violations will be reported to the North Saint Paul Police Department and violators will be issued a citation. This is a ticketed violation, non-ticketed violations will be towed.

Resilient Communities Project

The Resilient Communities Project is an initiative to make North Saint Paul a more resilient community. The project focuses on several key areas:

- Energy Efficiency
- Water Use
- Waste Reduction

Open House

North Saint Paul Library
November 15, 2013
10 A.M. - 12 P.M.

Fall Leaves Impact Summer Water Quality

The amount of leaves in the watershed can impact water quality in the summer. Leaves can enter the water through stormwater runoff, which can increase the nutrient content of the water. This can lead to an increase in algae growth, which can harm aquatic life and reduce the clarity of the water.

Getting Help with Your Rent or Mortgage

There are several programs available to help South Saint Paul residents with their rent or mortgage payments.

- Emergency Rental Assistance Program
- Mortgage Assistance Program

Those important people cards

People cards can be used to access local services and amenities. The cards are available to all residents of South Saint Paul and can be obtained at the Community Center.
